

Corona Virus Message Updated 07/18/2020

Dear Patients,

I hope you are all staying safe and healthy.

Although I am not yet physically in the office, you can always reach me at my usual phone number, **818-956-7899**, which is forwarded directly to my cell phone. Please leave a message so that I can return your call if I can't pick up right away. Even though I am not physically there, Brand Optometry is open on a limited bases with strict safety precautions in place: You will be required to wear a mask and have your temperature checked.

My colleague and Brand Optometry founder, Movses D'janbatian is currently seeing patients in person for **routine eye exams** as well as **urgent visits**. To schedule an appointment with him, please call the **front desk, 818-241-4921**. If you have seen me in the past, all your records are already in the office, so you will have continuity of care.

If you have any questions please do not hesitate to call me directly at **818-956-7899**. In some cases, I can diagnose your condition and prescribe medication by conducting a phone or video consult. You can also email me at drbrucehornstein@gmail.com.

I give you all my heartfelt wishes that you and your loved ones stay well.

With warm regards,
Bruce Hornstein, O.D.
