

Corona Virus Message from Dr. Hornstein
updated 03/21/2021

Dear Patients,

I hope you are all staying safe and healthy.

Brand Optometry is open Monday through Saturday with stringent safety protocols in place, including mandatory mask wearing for all doctors, staff and patients, and disinfecting of equipment, instruments, surfaces and glasses frames.

I am gradually adding additional appointment slots, keeping them spaced apart to allow time for disinfecting and distancing between patients as much as possible.

To schedule an appointment please call **818-956-7899**.

Please also feel free to email me at drbrucehornstein@gmail.com if you have questions or concerns, or if you are not sure if you should have an in-person visit.

I give you all my heartfelt wishes that you and your loved ones stay well.

With warm regards,
Bruce Hornstein, O.D.
